MicroCORR 6 – Reset procedure

Switch on Machine
Press 'MENU'
Select option '09 SELF TEST' and select 'ENTER'

You are looking to clear the memory
Press '1,2,3,4 for RAM CLEAR'
To clear memory Press '1' and 'ENTER'

This re-intialises the Machine.
It will now go back to the power up screen.

Switch the Machine 'off' and back 'on' again.
