Title – Permalog+ Viewing history data

"L+S History"

(Issue 2)

Permalog + How to view historical data

History mode allows user to download and display 29 days Level and Spread information of P+ loggers.

"Discover"

History is split into two tabs,

History 👫 < 15:55 ok	History 👫 🔩 15:53 ok Available P+ : 16
Serial Available Downloaded	Serial Available Downloaded ▲ 08089998 = 09090015 = = 08071973 07090003 = = = 07090006 = • = =
Discover View All Graphs View Latest Graph Discover L + S History	Discover View All Graphs View Latest Graph Discover L + S History
Connected: Patroller II	Not connected: Patroller II
Connect 🔤 Menu	Connect 🔤 Menu

To View All Graphs or View the Latest Graph follow this process -

1.Select the History icon History in the Main Icon screen, and confirm connection to interface unit.

2. Click 'Discover' to display a list of available loggers.

3. Then select a logger from the list (by serial number).

5. The system communicates with the selected logger via the interface unit requesting
