

Ref: FAQ0359

Version: 1.0

Title – Wi5 GPRS remote firmware flash

Made By: AB 12/04/16 (Issue 1)

Remote firmware upgrade for a GPRS Wi5

The correct format for the command to use to retrieve the latest firmware for a GPRS Wi5 remotely is as follows -

UPGRADE firmware_v7_18GPRS.bin

Or as follows where x_xx is the latest version –

UPGRADE firmware_vx_xxGPRS.bin
