Title-Radwin Database – SMS archive

(Issue 2)

Radwin Database – how to find and interpret the SMS archive

To find your SMS archive, navigate to the folder where your Radwin Database is located.

If you are unsure of where your Radwin database is located, if you have not changed the database path, you can locate this by opening Radcom Setup. Then click Options \rightarrow System Configuration...

If you have not changed your database path, the Radwin database will be stored here (see ringed area).

System Configuration	n : Radwin All	X
Configure: Configure: Radwin All Manual Call Minew Call	Database - Select the database location, Local or Network database is Local or on a Network Server, enter the datab Database System Selections Startup Transducers/Sensor Database Location C Local PC or Network Server C Internet (FTP site) Local or Network Server Database Configuration Database Path: C:Vradwin\DATA\ Mirror Database Path:	k Server, or Internet based (FTP site). If the pase path (where the logger database and s/Units Statistics Manual Call Autoc: () ogger Identity Selection Method: Zones and Locations
		OK Cancel

Use your computers Explore facility (right click the start button and select 'Explore') to find the Radwin Software and its associated Database Folder

Open the Data folder

When you are within your Radwin database folder, navigate to the 'smsarchive' folder
