**Title – Desktop logger shortcut** 

Made By: AB 22/03/16

## How to create a shortcut on your desktop to a logger in your Radwin database

If you open Radwin View and open the Data folder -

| Radwin View V4.72 - [Empty 1]   |                                | x     |
|---|--------------------------------|-------|
| 20 rec Download Options Comp. Options Data Options Advanced Configuration Start Window Help |                                | S e × |
| Open Data File 10001-0  | Search Topics   Search Results |       |

Select the logger you want to create the shortcut for -

Double click on the logger to show the following screen and click on the button 'Create Desktop shortcut '

| Location011 Data Time Period  | × |
|---|---|
| Select the time period of data to display. Select a data channel, or all data channels, to view. Select 'Create Desktop Shortcut' to create a shortcut on the | ¢ |
| Time Period   |   |
| Days: 7 From End Of File  |   |
| Channel: All Channels   |   |
| Create Desktop Shortcut Advanced :  |   |
|   |   |
|   |   |
|   | _ |
| OK  |   |
